### ADDITIONAL INFORMATION

The Extreme Canopy X6 Velocity features a heavy duty 1" hexagonal aluminum frame profile and has been built on over 15 years of research, design and improvements. Due to its rigid build and light weight, the X6 Velocity is one of the Extreme Corporation's best sellers throughout the United States and internationally. With a strong 1" hexagonal frame profile, robust reinforced truss bars and a heavy duty 600D, UV 50+ PVC coated polyester roof, the X6 Velocity is ready for tough weather conditions and frequent commercial use. While the X6 Velocity is one of the strongest pop up canopies on the market, it is also extremely light weight and easy to transport and erect. The X6 Velocity is a market leading pop up canopy and is appropriate for any recreational or commercial use.
