ADDITIONAL INFORMATION

The Extreme Canopy X5 Explorer is undisputedly the highest quality and best value heavy duty steel pop up canopy on the American market. The X5 Explorer features a robust 1" hexagonal steel frame profile and a heavy duty 600D, UV50+ PVC coated polyester roof. This industry leading pop up canopy also features heavy duty, curved 1" truss bars, durable nylon connectors, roof tensioning and strong steel feet. The X5 Explorer comes with a commercial standard wheeled carry bag and is available in three frame colors, three sizes, six roof colors and can be fully custom digitally printed. With a high quality and high strength design and build, the X5 Explorer is highly versatile and can be used in applications ranging from recreational through to commercial.
